

**HOMEOWNERS OF BACKYARD SWIMMING POOLS  
FOR SWIMMING INSTRUCTION BY OTHERS**

The Backyard Swimming Instructor’s Liability coverage can now be extended to include pool owners who permit the use of their backyard pool for swimming instruction by the Named Insured.

Homeowners who permit an Authorized Red Cross swimming instructor to use their pool for swimming classes have a liability exposure that may not be covered under their homeowners policy.

To cover this liability exposure we are offering an extension to the homeowner under the Authorized Provider’s Backyard swimming instructor’s policy.

The cost for this extension is \$25.00 (plus 8% tax in Ontario) per backyard pool owner.

If you would like to have this extension added to your policy, please return this form with information requested below.
